WINE LIST

WELCOME TO OUR WINE LIST

Indian food is all about layers of flavour—spices that warm, herbs that brighten, and dishes that balance richness with freshness. Choosing the right wine means finding bottles that can stand alongside these flavours, complement them, and sometimes even surprise you.

Every wine on this list has been selected with that in mind. You'll find crisp, refreshing whites that cool the palate, elegant reds that work beautifully with smoky tandoor dishes, and soft, aromatic wines that play gently with spice. There are also sparkling wines for moments of celebration, rosés that bring balance, and sweet wines that round off a meal with ease.

This isn't about strict rules—it's about enjoyment. A Pinot Gris with a spicy curry, a Primitivo with a rich sauce, or a Shiraz with bold flavours each wine tells its own story. We invite you to explore, sip, and discover what feels just right for your meal.

We invite you to explore, experiment, and enjoy these selections as part of your journey through the flavours of India.
